

**Be Global,
Go Local!**

Lingohub is a Linz-based startup that enables faster and better localization of web and mobile applications. Driven by new developments in the software industry, the translation market is buzzing. With our technology, we serve software companies as well as translation agencies from all around the world.

We are looking for a

UI / UX Designer

in our office in Linz, Austria.

Requirements

- Conceptual Design / Wireframing
- User Interface Design (Web / Mobile)
- User Interaction Design & Usability Consulting
- Excellent knowledge in Photoshop or Sketch, etc.
- Good understanding of Responsive Web Design
- Ideally, you also have experience in CSS3/HTML5

We offer you a gross minimum salary of € 2.272,-- per month according to the collective agreement. However, we are willing to pay an increased amount depending on your professional work experience and qualifications.
